

TERMS OF SERVICE

FlashedRouter.com | Effective Date: May 2026

Welcome to FlashedRouter.com. By accessing our website and using our services, you agree to be bound by the following terms and conditions. Please read them carefully.

1. Services Provided

FlashedRouter provides specialized hardware (routers) and digital services, including VPN subscriptions and residential IP configurations, designed to facilitate secure remote access and privacy.

2. Refund and Cancellation Policy

Digital Products & Subscriptions: All digital products, including but not limited to VPN subscriptions and IP configuration services, are generally non-refundable once activated or accessed.

30-Day Money Back Guarantee: Every purchase is backed by a 30-day money-back guarantee. If you are unsatisfied with your purchase within the first 30 days, you may request a refund.

Post-30 Day Policy: After the initial 30-day period, items are strictly non-refundable. The only exception to this rule is in the event of a technical failure on our part. We reserve the right to attempt to resolve the issue first. A refund will only be processed if our technical team fails to resolve the specific service issue within a reasonable timeframe.

3. Server Maintenance and Availability

To ensure optimal performance and security, our servers undergo periodic maintenance. You acknowledge that:

- Service may be temporarily unavailable during scheduled or emergency maintenance windows.

- In the event a specific server is offline for maintenance, users are required to connect to an **alternative server** provided within their subscription dashboard.
- Maintenance periods do not constitute a breach of service or grounds for a refund.

4. Proper Use of Service

Users agree not to use the service for any illegal activities, including but not limited to: violating copyright laws, engaging in cyber-attacks, or distributing harmful software. Violation of this clause will result in immediate termination of service without a refund.

5. Limitation of Liability

FlashedRouter shall not be liable for any indirect, incidental, or consequential damages resulting from the use or inability to use our services. Our maximum liability shall not exceed the amount paid by the customer for the specific service in question, represented as $L \leq P_{total}$.

6. Modifications to Terms

We reserve the right to update these terms at any time. Continued use of the website or services following any changes constitutes acceptance of the new terms.
